COVID-19 vaccination programme

More than 30 million people in the UK have been vaccinated with a second dose of the COVID-19 vaccine, giving them the fullest possible protection

- More than 79% of people in the UK now vaccinated with a single dose
- Public urged to come forward for second doses to help protect against the threat of new variants

41,831,056 people across the UK have now been vaccinated with a first dose (79.4%), while 30,209,707 people have had both doses (57.4%).

New analysis by Public Health England (PHE) shows for the first time that 2 doses of COVID-19 vaccines are highly effective against hospitalisation from the Delta (B.1.61.2) variant. The analysis suggests the Pfizer/BioNTech vaccine is 96% effective and the Oxford/AstraZeneca vaccine is 92% effective against hospitalisation after both doses.

Weddings, civil partnership ceremonies & receptions

From 21 June

The following guidance has been put in place to minimise the risk of COVID-19 spreading and to keep you, your guests and anyone working at the event safe.

 <p>Attendee limits</p> <p>Attendee limits will be determined by how many people the venue can safely accommodate with social distancing measures in place.</p>	 <p>COVID-Secure venues</p> <p>A COVID-Secure venue should have already completed a COVID risk assessment and follow COVID-Secure guidance.</p>	 <p>Other venues</p> <p>In other venues, such as private gardens, the organiser will have to complete a risk assessment themselves to keep their guests safe.</p>	 <p>Pre-wedding celebrations</p> <p>Pre-wedding celebrations, such as stag, hen or Mehndi parties, must keep to 30 people outside, or the Rule of Six or two households indoors.</p>
 <p>Dancing</p> <p>Dancing should not take place. There is an exception for the couple's 'first dance'.</p>	 <p>Entertainment</p> <p>Bands, DJs or professional performers can perform at a ceremony or reception as long as they follow COVID-Secure guidance.</p>	 <p>Singing</p> <p>Guests are advised not to join in singing with bands or choirs.</p>	 <p>Food and drink</p> <p>People should remain seated when consuming food or drink, even in outdoor settings.</p>

Are you a community or voluntary sector organisation who would benefit from additional resources to maintain your current level of response to the Covid-19 pandemic? The **COVID-19 Emergency Fund** aims to support voluntary and community sector organisations with funding to allow them to continue to play a key role in the local response to COVID-19. Formally constituted organisations can apply for a maximum of **£2,000**. Non-constituted organisations can apply for a maximum of **£250**. Applications are reviewed on a regular basis. No date has been set for closing the fund, but they would recommend that organisations submit their application as soon as possible.
