### Vaccination updates:

#### JCVI statement regarding a COVID-19 booster vaccine programme for winter 2021 to 2022 – Published 14 September 2021

*'The Joint Committee on Vaccination and Immunisation (JCVI) has been asked by the Secretary of State for Health and Social Care to consider the options for and timing of a booster programme to revaccinate adults in order to reduce mortality, morbidity and hospitalisations from COVID-19 over the 2021 to 2022 winter period and through 2022, as well as to minimise the COVID-19 case infection rate and the chance of new variants emerging.'*

### Delays to hospital care and treatment

*'The COVID-19 pandemic has resulted in many people having their operations, treatment and appointments delayed. A record number of people - more than 5.45 million - are waiting for NHS hospital treatment in England. Are you one of them? If so, it's vital you get the advice, information and support you need while you wait.'*

*But we know not everyone is, which is why we need you to share your experience of waiting for treatment in Derbyshire with us. Everything you tell us is confidential and will help us understand what needs to be put in place to better support people waiting for treatment like you. So, whether your experience is good or bad – we want to hear it.*

*Please complete our short survey and remember to tick Derbyshire at the end. Also, tell us any additional information about your experience of waiting, we can then act on your views and suggestions for improvement and share your experience: <https://www.smartsurvey.co.uk/s/SQVSJO/>*

**Keeping in touch:** If you have any questions, ideas or concerns please email: [Rachel@ddcvs.org.uk](mailto:Rachel@ddcvs.org.uk)
